Hi Mike,

Major bus stops would be great if there aren't any there already.

Best,
Brenda

Subject: New Trash Receptacles - WCBID Location Recommendations Needed

Hello WCBID Board Members,

I am currently working with LA Sanitation to get more trash receptacles in our District.

So far we have installed 20 new trash receptacles throughout the BID. You may have seen a few of them (photo attached).

We have 5 more left. I am looking for location recommendations. Please email me the address of any high foot traffic location (within the Wilshire Center BID) that you think could greatly benefit from a trash receptacle.

I would need all location recommendations by Tuesday.

Thank you,
Mike Russell
